### **Dear Community or Business Leader,**

We are Strengthening Her Evolution, Inc. (SHE) and we work hard to provide underserved female youth with the tools and resources needed to develop their character & self-esteem as well as help them to understand cultural awareness and economic conditions. This work is so important to us, and the strides we have made so far wouldn't have been possible without supporters in our community like you.

This year, we are in need of sponsors to help our team in making even more of a difference in the lives of our female youth. By sponsoring just one girl or a group of girls, you will help SHE have a successful Summer Camp and After-School Program by providing these girls with the opportunity to learn and develop the necessary skills needed to build a solid foundation to womanhood. Without your help, this would not be possible for many underserved female youth. We offer great incentives to all sponsors based on their donation. Please take a look at our sponsorship packages attached.

Your support would directly enable us to provide a full summer camp of enriching activities and projects to support the emotional, social and cognitive development of girls. Our camp and programs will impact 75 - 100 girls for the rest of their lives.

This year we need to raise \$30,000 in order for our team to launch our first SHE Summer Camp to make a true impact on the underserved female youth of our community. Can we count on you?

**Thank you and looking forward to hearing from you,**

**Tiara Hunt Smith,  
Founder & Executive Director**
